**Responsible Lending and Suitability Assessment**

Suncoast Loans is required to comply with responsible lending obligations under the National Consumer Credit Protection Act 2009 (Cth).

Before entering into a credit contract with you, we will make reasonable enquiries about your requirements, objectives and financial circumstances and take reasonable steps to verify relevant information.

We will assess whether the proposed credit contract is suitable for you. A credit contract may be unsuitable if:

- it does not meet your requirements or objectives; or
- you are unlikely to be able to meet your repayment obligations without substantial hardship.

If we assess that a credit contract would be unsuitable, we will not provide the credit.

If your application is approved and you enter into a credit contract with Suncoast Loans, you may request a copy of our assessment at any time within seven (7) years of the date of the assessment.

If your request is made within two (2) years of the assessment, we will provide a copy free of charge within seven (7) business days. If your request is made more than two (2) years after the assessment, we may take up to twenty-one (21) business days to provide a copy.

If you experience financial difficulty at any stage during your loan, please contact Suncoast Loans as soon as possible. We may be able to assist through our hardship assistance process.
